## Who we are

Who is providing this notice?

Fayette Federal Credit Union

## What we do

How does **Fayette FCU** protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does **Fayette FCU** collect my personal information?

We collect your personal information, for example, when you

- open an account                      or deposit money
- apply for a loan                      or pay your bills
- use your debit card

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.

What happens when I limit sharing for an account I hold jointly with someone else?

Your choices will apply to everyone on your account - unless you tell us otherwise.
